THE Singapore Free Press of the 10th inst. says :- Just before the rising of the Court yesterday, Mr Nanson made an application 1252 for leave to appeal on facts as well as onlaw in the Camelot Diamond case. If this were an ordinary case the Judge would have a discretion as to allowing an appeal on facts. Mr Nanson held that as in an Admiralty case the Privy Cooncil went into facts, so here the Court of Appeal should go into the facts, no discretion lying with the Judge. Mr Justice Wood intimated that he would consult his brother judges while in Penang as to that point and adjourned the application.

It is a standing wonder, says the Fre Press, why Singapore possesses no swimming bath, public or Club. A scheme was thought about, a couple of years ago, for a floating or sesside swimming bath, but the schemer left before he had matured his plans. Swimming is a most delightful and invigorating exercise, and we should think it would not be difficult to raise a sufficient sum by debentures to build a suitable seabath, somewhere near town, filtering the Glenshiel, 26; Glaucus, Promethous, would no doubt do what it could in the 29; Glamorganshire, Hector, Ang. 5; way of granting a site, and debenture Diomed, Melpomene, Ningchow, Stentor, holders could be looked upon as subscribers Caledonien, Flintshire, 9; Niobe, Ro- and given the use of the back on more favourable terms than the rest of the public. ALLAHADAD HIGH COURT AND THE MAROMEDAN BAR. Allahabad, August 1. - Referring to affeirs in the local High Court, the Pioneer says that since Mr Justice Mahmood delivered his remarkable obiter dictum last week, the Mahomedan barristers and pleaders have absented themselves from the Court. As a co sequence an appeal in which a Mahomedan gentleman was engaged for appellant came up on Saturday, and, as no one appeared in support it had to be dismissed. A grave scanda has thus been created. The notification appointing that the High Court should remain open during part of the Mohurrum made provision for every case. If we can imagine a Mahomedan who holds that as a true believer he must abstain from all work throughout the entire period of the Mohurrum, even he could have had all his cases postponed by making application to that effect on the ground of conscience. In the present instance no such application has been presented. The revolt of the Mahomedan bar is thoroughly discreditable and will, it is to be hoped, he brought to
